THE RECORD OF ANOTHER  
YEAR OF ACTIVITIES  
AND ACHIEVEMENTS  
OF THE STUDENTS OF  
SOUTHWESTERN  
LOUISIANA INSTITUTE

# DEDICATION . . .

There may be many individuals to whom this work might very fittingly be dedicated—men and women who have given themselves to the advancement of Southwestern, or who have, in manifold ways brought honor to our college. These have, however, achieved a much greater measure of glory by the very tasks they have so faithfully accomplished.

Southwestern at present enjoys an honored and enviable place in the world of technical and liberal learning. Any heights in that world to which it may yet ascend will largely depend on those who, thirsting for knowledge, come here to seek the fountain of truth and drink deep of its waters—our student body. On their efforts and perseverance in the many duties and responsibilities of college life must we rely to keep this institution what it is.

It is most appropriate that such a work as this be dedicated to them; therefore, we, the Class of 1941, offer this, the last record of our lives at Southwestern, to those students who will carry on here in the years ahead.

# FOREWORD . . .

If this, the 1941 volume of L'Acadien, contain certain memories which, in the later days of our lives, will carry us back to the scenes of our Alma Mater, if it embody these remembrances forever within its covers, if it serve to kindle the fire of recollection fed by those thoughts which we would treasure and preserve, then this work has not been done in vain; this volume has accomplished all for which its creators have striven.

# L'ACADIEN - 1941

Within these pages are enclosed the hopes and aspirations of the editors of this, the 1941 edition of L'Acadien. It represents toil and sweat and many anxious days and sleepless nights. It is the tale of a year at Southwestern unfolded as we have seen it, with its color and gaiety and joy. And if, in places, this book should seem drab and lifeless, remember, too, that college life has its moments when things are not so joyful and gay, when life is not all color and fun.

We have tried to make this year's annual unlike any that have preceded it. We take some pride in the fact that we have succeeded.

This edition of L'Acadien has been dedicated to you, the students of Southwestern. All the toil and trouble spent in this work has been to make this book worthy of such an honor. The 1941 edition of L'Acadien is in your hands. May it please you now, and ever be a source of pleasant remembrances of this year at Southwestern.

Well, hello!

Blow, Gabriel, blow.

One-man band.

March of the light (?) brigade.

Surprise!

Isn't there some mistake here?

Oh dear, what can the matter  
be?

End of a perfect day.

Just a few faces.

Turn around, Prof.

Jackson, strutting as usual.

Is everybody happy?

Landry leads the lads.

Won't he give you some, Val?

Pull in your necks, fellows.

What a tiny horn for such a big man.

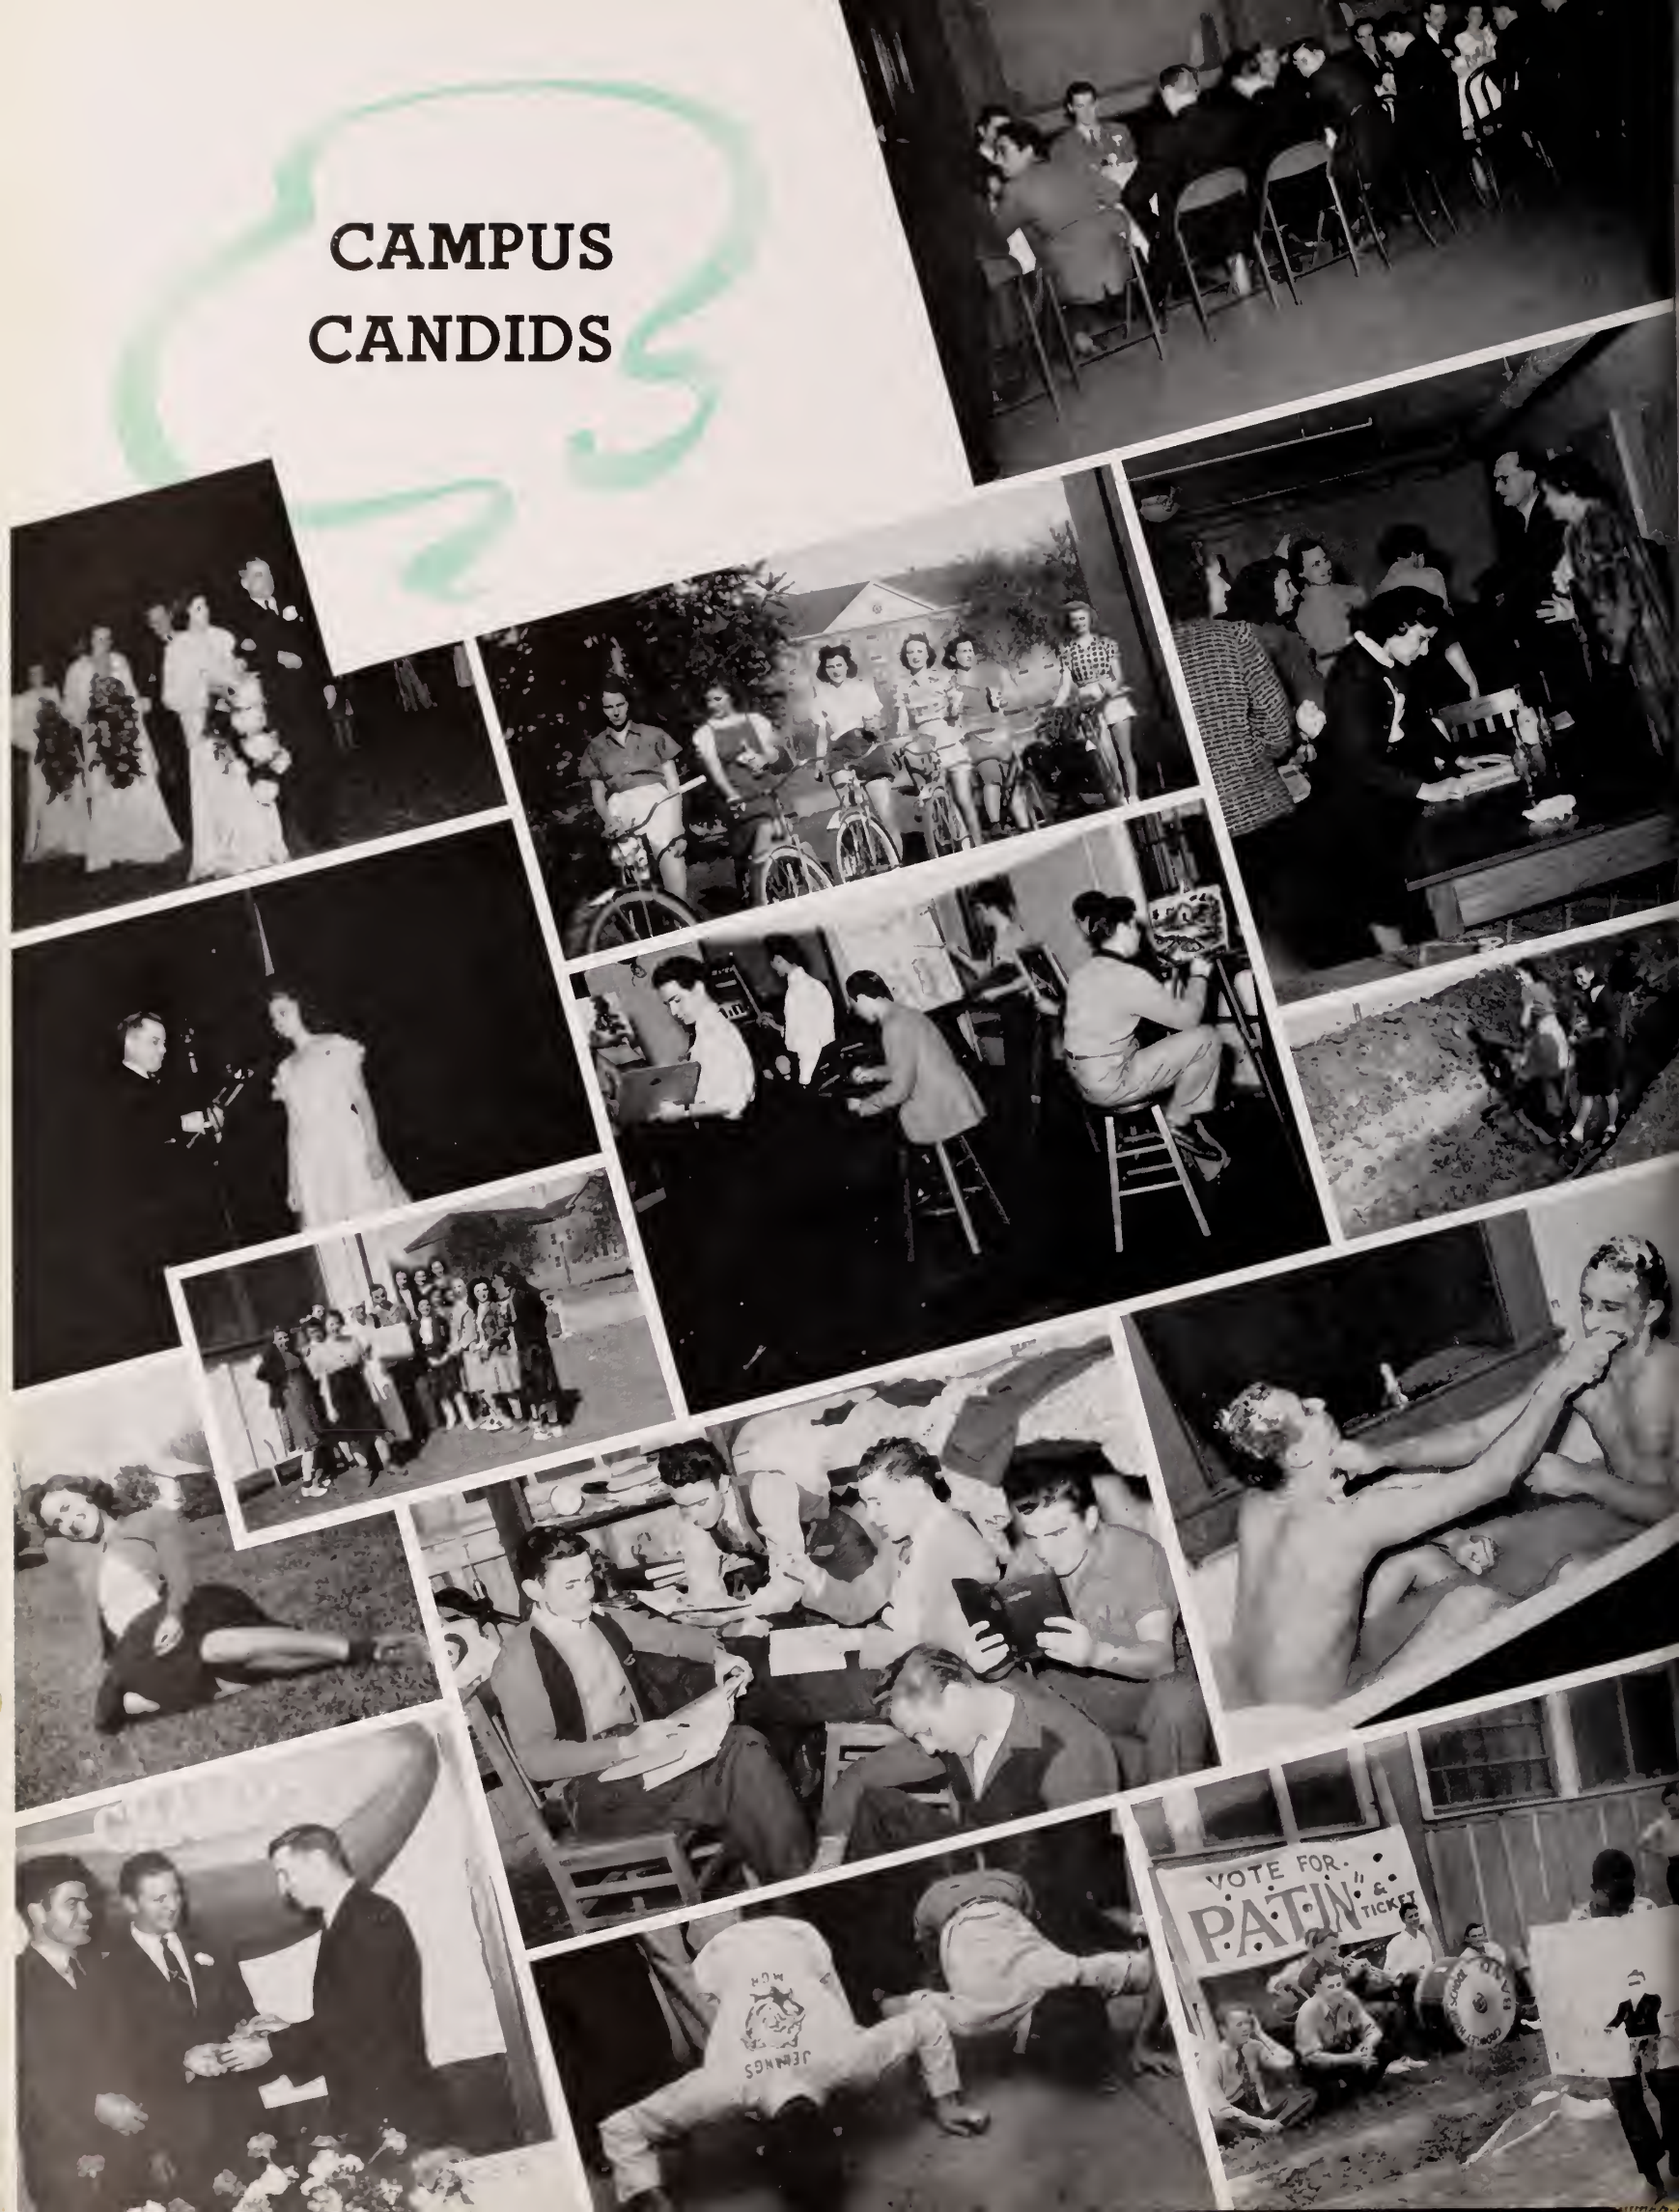

Got a date with a dream.

The Dean and the boys.

A little more enthusiasm, please.

CROWNING OF THE QUEEN

The Camellia Pageant is one of the principal features of the Mid-Winter Fair. It was instituted in 1934, when the flower show of the previous year proved such a success. The Camellia was chosen as the principal flower of the show and a pageant formed around it. This pageant has grown in beauty and importance and has become, with the joint co-operation of the Department of Art and Department of Agriculture, one of the main attractions of our college life.

## IN APPRECIATION

Seldom has it been the privilege to have such a personage as an archduke grace the campus of Southwestern. Certainly never before has such a person been selected to choose the beauties which appear annually in this section.

When it became time to choose a representative group to appear in the yearbook from the many lovely ladies of Southwestern, the problem arose as to who would be willing as well as qualified to make the selections. In looking over the list of celebrities scheduled to appear on the campus, the name of Archduke Felix of Austria was outstanding. In response to the request to act as judge, he graciously consented,

and the foregoing pages bear witness to his ability.

L'Acadien takes pride in the fact that such a distinguished and impartial judge could be procured, and the staff is especially proud of the institution of a precedent . . . the first L'Acadien Beauty Contest held on the campus. With the cooperation of the Art Department and the Dramatic Club, we feel this contest to have been a successful venture, and sincerely hope that it will become an annual feature of college life.

# ART CLUB

## OFFICERS

The Southwestern Art Club was organized in 1938 in order to promote interest and appreciation in art in its various phases. This year marked a milestone in its progress with the inaugurating of the first annual Artists and Models Ball sponsored jointly by the Art Club and the Orchesis Club.

The club also contributes in every way possible to helping the various other organizations with decorations for their functions and especially serving at Homecoming, Mardi Gras, and other similar occasions.

Another function of the club was the formation of a Junior Art club in which members of the Southwestern club take turns in teaching the younger students of the Grammar and High School the elementary points of art.

The Biology Club is composed of students who are interested in furthering their own knowledge and that of others in the science of Biology. There is no other requirement but mere willingness to cooperate with the club, which in turn cooperates with the State Academy of Sciences.

It was organized in 1923 and since has been one of the leading science organizations on the campus. Its meetings are held bi-monthly, and it sponsors bi-monthly radio programs of much interest to the student body and radio audiences as well.

The Accounting Forum was organized in the spring of 1940 by students who are majoring in accounting. The purpose of this organization is to afford the students of accounting a better opportunity to become acquainted with one another and to hear and meet leading men in accounting and other business fields.

Meetings are held bi-monthly with varied programs being presented. These include talks by prominent laymen, lectures by faculty members and discussions by the members.

The Boys' Club is an innovation on the Southwestern campus. It was organized on the campus in the Fall Semester of 1940 in order to furnish to the boys the same services as are offered by the Girls' Club. Its membership includes those male students who do not enjoy the advantages of living on the campus. Its purpose is to further friendship and cooperation among the men students, especially those who are commuters, town boarders, or residents of Lafayette, and to help them become more familiar with the benefits of campus life.

This group is under the capable supervision of Miss Katherine Craig, who has taken the boys under her wing and has helped to make this clubroom a second home for them.

The Red Jackets organization was organized in 1937 under the leadership of Miss Miriam Callender with the help of Mr. Howard C. Voorhies, director of the band, and since that time has grown steadily in popularity, power, and service.

Its purposes are to lend a colorful and peppy appearance to the various athletic contests by its presence and vocal inspiration plus the spectacular shows presented between halves at football games, and during other athletic contests. Its maximum membership is ninety-six girls who are chosen by invitation of the active members from second semester Freshman, the Sophomore and Junior classes.

The Southwestern Chamber of Commerce is an organization composed of the commerce students on the campus. Formerly known as the Commerce Students Association; in the spring of 1940 this group became affiliated with the National Intercollegiate Chamber of Commerce, an association of collegiate commerce organizations formulated to bring about closer relationship with the business world for the training of future business and civic leaders.

Charter members of the N. I. C. C. were Southwestern, Texas Christian University, Baylor University, Texas University, and the University of Illinois. Southwestern was host to the national convention in March of this year.

The Southwestern Commerce Review, a quarterly publication, is also sponsored by the Southwestern Chamber of Commerce.

### OFFICERS

President.....	MILTON PATIN
Vice-President.....	BILL BASS (First Semester)
Vice-President.....	DEMPSEY YOUNG (Second Semester)
Secretary-Treasurer.....	CARROLL BAGGETT
Faculty Adviser.....	Coach John Cain

The "S" Club is an organization which includes all athletes who have earned one or more letters in any of the five major sports—football, basketball, boxing, track, and baseball. Its purpose is to promote fellowship and bring into closer contact all athletes here at Southwestern.

This organization is somewhat like a fraternity in that its pledges go through an initiation which is always colorful and spectacular. The members take an active part in the various school activities, and sponsor some of the season's outstanding dances. The club has an approximate membership of sixty, each of whom is awarded a key as well as a sweater.

The Home Economics Club was organized to bring about the professional development of each member, to sponsor social activities in the department, to be of service to others, and to cooperate with the college in all projects.

The club sends delegates to the two State Conventions and to the annual meeting of the American Home Economics Association. They sponsor the annual Campus-Wide Posture Parade, a concession at the Mid-Winter Fair, and the selling of fruit cakes at Christmas, the proceeds of which are used for a worthy cause.

The Girls' Club was organized to fill the needs of the off-campus women students, commuters, town boarders, and Lafayette residents to enable them to have a larger part in the benefits and pleasures of college life. This year luncheon-meetings have been adopted by the club, adding much to their popularity and usefulness. The club rooms

are available for other organizations any afternoon after four.

The girls are very active participating in such campus functions as Homecoming, Camelia Pageant, and Stunt Night. They also aid the various other organizations with decorations and flowers grown in the club gardens.

The Geography-Geology Travel Club was organized in 1939 by Miss Minnie P. Kelly and Professor H. J. Chatterton for the purpose of furthering interest in Geography and Geology. Membership in this club is purely voluntary with no requirements whatsoever.

The club has come into prominence among the professional clubs, as a result of the untiring work of its faculty

advisers in cooperation with the students of Geography and Geology as well as those who do not study these subjects.

The club holds a meeting each month at which time extremely interesting programs are presented featuring students and faculty in various pictures. In addition to the above, the programs include the presentation of several radio programs during the year.

The T. H. Harris Club is composed of students who hold T. H. Harris scholarships. These students have banded together to promote a spirit of fellowship and to uphold the ideals for which the foundation was established.

This scholarship foundation was established by an act

of the state legislature in 1933 as tribute to Thomas H. Harris for his excellent work during his years of service as State Superintendent of Education.

The students obtain these scholarships purely for scholastic ability and they are in the form of gifts rather than loans.

## ORCHESIS CLUB

### OFFICERS

President	EVA CLAIRE BIVENS
Vice-President	JUDY KAY
Secretary	MELBA KELLER
Treasurer	MARY LYNN PUCHEU
Faculty Adviser	MISS EVELYN TRIPLETT

The Orchesis Club is one of the newest organizations on the campus. It was organized in 1940 under the direction of Miss Evelyn Lockman, former instructor in dancing. It has since made great strides toward achieving its goal, and is becoming one of the popular organizations on the campus. Its objective is to stimulate interest in dancing from a recreational as well as educational point of view.

Members are selected from the dancing classes for their ability and knowledge and become members only through vote of the active members.

Activities include a concert given as a benefit fund, the establishment of an annual Dinner Dance, a tour sponsored each year, the presentation of the Artists and Models Ball sponsored jointly with the Art Club.

## PSYCHOLOGY CLUB

The Psychology Club was organized in 1939 with a primary purpose of furthering interest in informal discussions on psychological subjects. Membership in the club is not limited to persons belonging to a psychology class but to all those who are interested. Besides the talks,

presentation of films, and informal discussions which are a part of every meeting, the club has sponsored a series of radio programs dealing with different phases of psychology.

This club is now one of the most active organizations on the campus and it seems to have a brilliant future ahead.

This club was organized in 1940 under the name, Stephens Memorial Library Club. The main purposes of this organization are to bring the student assistants together, to encourage cooperation, and to obtain new ideas for rendering better service to the student body and faculty.

Although it is a new organization it has shown rapid development as well as having already proved its efficiency and usefulness. While it presents the air of being rather business-like, it is quite recreational in view, as evidenced by the social functions it presents.

The Physics Club of Southwestern was organized in 1940 with the primary purposes of promoting interest in physics among the students and to draw those students taking physics into closer contact.

Meetings are held twice a month at which time programs of interest to the outsider as well as to the physics student

are presented. These often include a speaker from the faculty or some outstanding personality from town.

While it is a young organization much progress has been made as can be noted from the Physics Show which is to be an annual affair, as well as the banquet which will also be included on the social calendar from year to year.

The Latin Club, organized in 1923 by Miss Esther Kendrick, is one of the oldest departmental organizations on the campus. Its aim is that of uniting, for mutual assistance and social entertainment, both those students interested and those specializing in Latin, as well as to promote interest in the classics.

For several years it has been customary for the club to enter the annual "Stunt Night" and has won several prizes for uniqueness. Another high light of its social program is the annual Roman Banquet, a costume affair, which portrays in true detail the life and customs of a Roman patrician family in the era B. C.

Le Cercle Francais was organized to further mutual assistance and social entertainment to those students specializing in French and to perpetuate the French language in Louisiana in its French speaking parishes.

It was first organized in 1927 under the leadership of Miss Gabrielle Hebrard and Miss Lottie Montegut. Meetings are held bi-monthly at which time their activities are planned including the French Club Dance, various radio broadcasts, and the annual spring reunion picnic are held and programs are put on by the students and faculty as well.

# ENGINEERING CLUB

The Engineering Club was organized to aid the advancement of interest in engineering and to unite all engineering students closer together. Some of the activities of the club are the presentation of the Engineers Ball to be held as an annual affair, the Engineering Show put on by the four departments of the College of Engineering. This Show consists in Technical and Practical exhibits of work done by the engineering students for the inspection of the general public as well as the student body.

With the funds derived from these activities and from its members, the club each year presents to its Seniors a tour of the leading universities, corporations, chemical manufacturing and power plants in this section of the country.

This is the new name for the reorganized Spanish Club which was formerly called "Los Buenos Amigos." Its purpose is to promote interest in the Spanish language as well as an understanding and appreciation of the culture of the Spanish speaking nations. Here the students have an opportunity to use the language orally as well as further a feeling of fellowship for a common cause.

It is one of the most active organizations on the campus. The Club sponsors several noted campus activities among which is the Spanish Carnival Ball. This is a colorful spectacle presenting a gay array of Latin American costumes in a modern American setting.

The prospect of a cheering squad looked rather dismal at the beginning of the season due to the lack of experience of the aspirant cheer leaders. However, much to the surprise of the student body and even to the cheer leaders themselves, before the second performance of the year a first rate squad had been developed.

With noted improvement and develop-

ment in the tumbling and forming of pyramids and other gymnastic feats, our cheer leaders can be favorably compared with the various squads of the colleges and universities throughout the nation.

The outlook next year is favorably bright, as the entire squad will return with added determination to make our cheering section second to none.

Southwestern can truly boast of one of the best bands in this section of the country. The Southwestern Boys' Band, under the direction of Professor Howard C. Voorhies, has proven itself an important feature of extra-curricular life on the campus. At every athletic contest, the band may be found doing its utmost to instill the victory spirit into the team and spectators, alike.

The Board of Publications at Southwestern was organized to control and supervise the Vermilion and L'Acadien, student publications. They not only supervise these publications but select their Editors and Business Managers who are to serve the following year.

This board is composed of five members, appointed by the President of the Student Body and approved by the President of the Institute as well as the Faculty Committee on Publications. Its chairman and secretary are selected at the first meeting of the year at which time is formulated the qualifications that the future Editors and Business Managers must meet.

This committee, authorized by former President L. E. Frazar and approved by the faculty, was organized in an effort to build up the government of students by the students and to promote a higher standard of student conduct here at Southwestern.

The committee is composed of five members, the President of the Student Body, the President of the Men's Student Government Association, the President of the Women's Student Government Association, and two other members picked from the student body by the President of the Institute.

In a case of student misbehavior, the matter is first brought before the committee which in turn makes recommendations to the faculty. While its institution has been more or less of an experiment, it has commanded the utmost of respect from the students as well as the faculty.

## TUMBLING TEAM

Tumbling as an extra-curricular activity was instituted at Southwestern in 1940 under the direction of Mr. Simon McNeely. Under his tutelage the team gave many fine exhibitions on the campus. For the first time in its history Southwestern entered a tumbling team in the S. A. A. U. meet held in New Orleans. The fact that the team captured second place in competition with such teams as Louisiana State University, Dallas Athletic Club, and the New Orleans Y. M. C. A. was a good indication of the excellent coaching and the individual merit of the team.

This year under the capable direction of Coach Jesse Hair and Assistant Coach Bernard Richard the team presented, as the highlight of the season, an exhibition between the halves of the Southwestern-Normal basketball game. The team was again entered in the S. A. A. U. meet and performed creditably for the glory of its school.

This is a professional organization composed of those students, either majoring or minoring in Physical Education, who are interested in fostering interest in Health and Physical Education.

It has several purposes, among which are to develop an awareness of physical education in modern society; to promote the interest of those majoring in physical education; to develop among the students a realization of their responsibility to their profession; to foster and participate in activities which will add to the enjoyment and development of the student body as a whole.

Meetings are held twice a month and the interest which is aroused in this group always insures a representative gathering.

The Baptist Student Union is an organization composed primarily of Baptist students, and students of Baptist preference, with the purpose of guiding the moral and spiritual welfare of the members. This union is a part of a south-wide organization composed of several million students under the direction of an executive secretary and two assistants whose headquarters are in Nashville, Tennessee.

Each chapter of the B. S. U. is under the control of an executive council whose work consists in directing and stimulating interest and enlistment in a Christian social program. The yearly calendar includes several social events as well as religious gatherings.

The Morris League is an Episcopal students group named after Bishop Morris. Its membership is made up of all Episcopal students enrolled in school. Its purposes are to take care of the Episcopal students' religious needs and to promote friendship among them in addition to assisting in their mental, moral, and spiritual guidance.

Their major project has been the working toward and planning for a long-looked-forward-to Student Center which when completed on the campus will afford an excellent place for relaxation and recreation.

The Newman Club is an organization of all Catholic students which endeavors to render Christian service to the college community. The club works for the promotion of the intellectual, social, and religious life among the Catholic students at Southwestern, and aids through its organization, in maintaining the high morale of the college.

The Y. M. C. A. is a non-denominational organization in which all creeds and classes are welcomed in a spirit of fellowship and brotherhood. Its purposes are to lead students to faith in God, into membership and service in the Christian church, in growth in Christian faith and character, and to devote themselves in united effort with all Christians

in making the will of Christ effective in human society.

The weekly meetings prove educational and interesting as well as inspirational, being lead generally by some prominent citizen or faculty member.

The Y. W. C. A. was organized on the campus to promote fellowship among all girl students. It is a non-denominational organization which members of any creed may join under a common bond. All women students are eligible for membership and may take part in the weekly meetings during which topics of interest are discussed by members. Also speakers are obtained from personalities on

the faculty and prominent town people.

All women students are cordially invited to attend meetings and through the moral and spiritual guidance develop into better and happier students.

## WOMEN'S GLEE CLUB

The Southwestern Women's Glee Club is one of the most outstanding musical organizations on the campus and selects its members from the women students at large at the beginning of the year. Each year it presents several musical programs on which it has received very favorable comment.

The Glee Club's largest program is the Christmas program presented in connection with the Music department, and the program given for the children of the Lafayette Orphanage during their annual party.

Director.....MRS. ELOI GIRARD

Director.....MR. WILLIS DUCREST

## MEN'S GLEE CLUB

The Southwestern Men's Glee Club is organized within the Music department, but it is open to all men in the student body. Rehearsals are held twice weekly and several programs are presented throughout the year, which are well received by the student body and townspeople as well. Participants not only obtain recreational and musical value but scholastic as well.

The Southwestern Symphony Orchestra is the major organ of the Department of Music. Those students who are majoring in Music and who are proficient in the use of their instruments, as well as others whose hobby is the playing of some instrument, are given the opportunity to develop their talents. The type of music which is played as well as the technique involved make this orchestra one of the best of its kind.

There was initiated this year a series of concerts given to the student body by the Department of Music. The Symphony Orchestra played a large part in making these programs a success. Due to the popularity of these programs they are destined to continue as a regular part of student life. In this way the program of culture which such an organization is able to sponsor will do much to broaden the curriculum of Southwestern.

In addition to the senior group there is another orchestra in the Department of Music which serves a definite purpose. The Junior Symphony Orchestra is in a way related to the senior group in that it furnishes the necessary practice and development to attain to the ranks of the Symphony Orchestra. It is composed mainly of those students who have just begun their music training or who have only an elementary knowledge of music.

This orchestra is under the very capable direction of a member of the faculty of the Department of Music, and under his direction has progressed noticeably in the development of a real technique and quality of playing. It will be only a matter of time before the members of this group will have attained the perfection necessary to become members of the Symphony Orchestra.

The ultimate objective of the Scribblers Club is to encourage literary endeavor on the campus, with the only requirement for membership being an interest in writing. By association through meetings and the actual participation in putting a magazine together, a developed technique in composition is encouraged.

The Women's Student Government Association is an organization composed of all women enrolled at Southwestern and is under the supervision of an executive council composed of the three officers elected by the women students of Southwestern and the presidents of the various dormitories.

They not only assist in handling questions pertaining to the government of women but also submit recommendations to the Dean of Women and faculty committee on disciplinary changes they deem advisable and of benefit to the women students.

The Men's Student Government Association is an organization of all men enrolled at Southwestern formed to promote better friendship and a closer contact among these students. Officers are elected whose main activity is the sponsoring of a complete intramural athletic program including competition of non-lettermen in Touch Football,

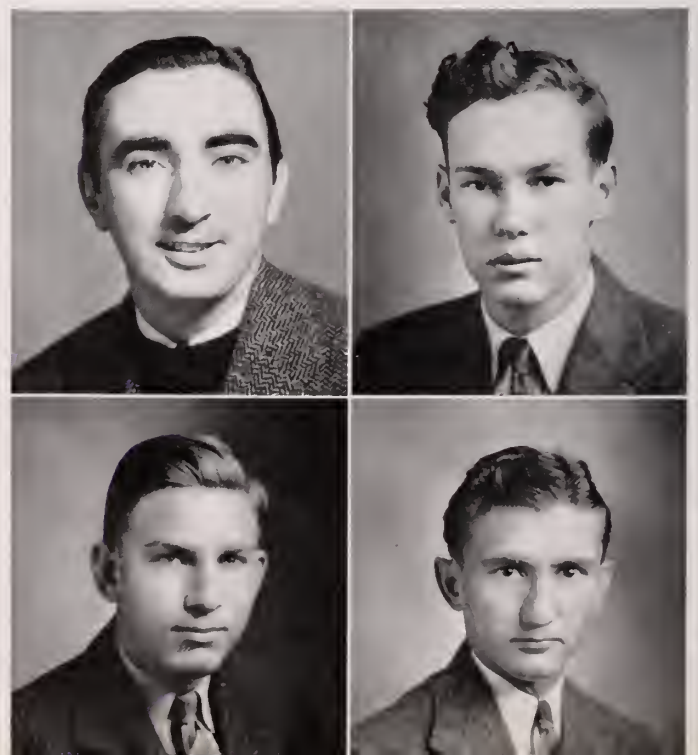

Basketball, Track, Boxing, Cross-country, Softball, Ping-pong, Horseshoes, Free-throws, Volley Ball, and Tennis. This year, under the able direction of Coach Elvin Brand, the program grew in variety and in interest so that it is ranked second to no college of our type in this section.

The president is also a member of the Student Executive Council.

Southwestern 7; Southeastern 0

Amidst the cheers and waving banners of the crowds which gathered to see the first football game to be played in the new McNaspy stadium, the Southwestern Louisiana Institute Bulldogs trotted out on the field. The engagement with the Southeastern Lions was the first contest of the year for the Bulldogs, and they popped the lid off the season with a 7 to 0 win.

Paul Niel, 160 pound tailback and former member of the Lake Charles high school team, led the Bulldog attack, and virtually saved the day for the Cainines with his superb performance. With Niel carrying the ball, the Bulldogs staged a 40 yard march down the field accounting for three first downs before reaching the final play—a wide flank around right end—which netted the first touchdown ever made on the new field and the only marker of the ball game. John Houser, Bulldog fullback, placekicked the ball between the uprights for the extra point.

### Southwestern 6; Stephan F. Austin 0

Scoring early in the first quarter, the Bulldogs registered a 6 to 0 win over Stephan F. Austin Lumberjacks in Nacogdoches, Texas, the following week to keep their grid record against the Texans without a blemish since 1925.

The Bulldogs' lone tally came in the first few minutes of play when Gundy Roberts, left halfback, went over right guard into pay dirt from the five yard line. The attempt at extra point was wide and the Bulldogs' scoring was over for the rest of the game.

Getting the Bulldogs out of trouble at different intervals during the game marked the initial appearance of Bob Voitier in varsity play. The former Opelousas high school star stood out with his long punts and his passing throughout the game.

The game was loosely played throughout and was a typical early season game. There was an increase in excitement toward the close of the game as the Lumberjacks tried the inevitable passing attack to pull the game out of the hole. However, the Bulldog defense tightened and the attack failed.

Stepping into the higher brackets of gridiron competition and playing its third game of the season, the undefeated and unscored upon Bulldogs invaded the stronghold of the highly touted Mississippi State Maroons at Starkville, Mississippi.

The Bulldogs, who were in this game the underdogs, due to the stellar defense of the second edition of the "Seven Great Oaks" and led by veteran center Bill Bass, held the Maroons to a 20 to 0 score. The SLI line's performance was especially notable in view of the fact that it was playing against one of the highest ranking teams in the South.

Although without the services of Milton Patin, star Bulldog end, and King Teasley, veteran guard, who were out because of injuries, the Bulldogs held the Maroons in check throughout the first quarter, and were a constant problem to the Mississippi signal callers. Although Southwestern lost, it was with such an excellent showing against so powerful a team, that it proved itself to be one of the strongest of the small college grid teams in the South.

### Southwestern 0; Millsaps 0

Returning to McNaspy Stadium for the fourth encounter of the season, the Southwestern team battled furiously with the Millsaps Majors for the full sixty minutes of the game with neither team able to score. This marked the first deadlock of the season. Approximately 7,000 fans, the largest crowd of the season, watched the Bulldogs and the Majors battle each other to a standstill, when inches would have meant first downs, and eventually a touch-downs.

Bob Voitier, who was making his debut on the local gridiron, led the Bulldog attack with his superb passing and kicking as well as his long gains with the ball. Stalwart defense on the part of the Mitchell tutored linesmen held the Majors to seven first downs.

In the third quarter the Bulldogs penetrated to the Majors' five yard line. There the Millsap's line held fast, and this together with a fumble cost the Bulldogs the loss of the ball and a probable touchdown.

A spectacular attraction of the game was the patriotic and colorful show put on by approximately 700 Boy Scouts and the Southwestern Band, during the half-time period. After forming the letters USA, the band, led by Director Howard C. Voorhies, played "America", while the Boy Scouts performed various precision drills and formations.

### Southwestern 7; Springhill 13

Motoring to Mobile, Alabama, Coach Johnny Cain's grid charges suffered their second defeat of the season when they bowed to the powerful Springhill Badgers to the tune of a 13 to 7 score. The loss brought the total to eleven at the hands of the Badgers as against twelve wins for the Bulldogs since the start of grid relations between the teams in 1917. The game showed signs of over-confidence of the Bulldogs, and a definite lack of judgment and poor ball handling on the part of the backs.

Since the coming of Johnny Cain, All-American candidate from Alabama U., to the helm of Southwestern grid warfare, the Bulldogs won two and lost one contest to the Springhill team. In 1938 the Badgers was the first team to score on Southwestern who hitherto had gone untied and unscored upon in four games. The Bulldogs won that game 33 to 7, and then repeated the victory the following year to the tune of 20 to 0.

### Southwestern 6; Louisiana College 0

Accompanied by a large portion of the student body the Southwestern Bulldogs moved into Shreveport, Louisiana, to play their first game at the Louisiana State Fair, against the Wildcats of Louisiana College.

Capitalizing on a Wildcat fumble in the first five minutes of the opening stanza, the Bulldogs crossed into the end zone for the only tally of the game. Paul Niel carried the pigskin around right end and over the line, after the Bulldogs had recovered the fumble on the twelve yard line.

Throughout the remainder of the game the Bulldogs constantly threatened but were unable to score. Long gains by Paul Niel and Bob Voitier, who alternated at the left halfback position, were a feature of the Bulldog attack. Voitier protected the lead with his long punts that time and again took the Southwestern team out of a tight hole.

The victory was the Bulldogs' third of the season and the second against Louisiana Intercollegiate Conference teams. It gave Southwestern a claim to the top rung of the conference with a perfect record of two wins and no defeats.

## Southwestern 7; Louisiana Tech 6

A seventy yard run by Paul Niel and a perfect extra-point boot by John Bandura gave the Southwestern Bulldogs their next Louisiana Intercollegiate Conference victory over the team from Louisiana Polytechnic Institute. The spectacular run by the little sophomore tailback came in the first quarter after the Bulldogs had taken the ball on their own thirty yard line. Behind the perfect blocking of his mates Niel squirmed his way through the Tech line and then sped the remainder of the way to the goal line unmolested.

Later in the same stanza Tech pulled almost the identical play to score on a long run, but the try for extra point failed and Southwestern held the one point margin of victory. Playing one of the most brilliant games of his career was Bill Bass, the little iron man of the Bulldog line who handled the center post. Bass not only led the line on defense but proved a great factor in the scoring by his superb exhibition of blocking.

## Southwestern 18; Mississippi Delta 7

The grid encounter with the Mississippi Delta Teachers marked the last event on the schedule of the colorful Homecoming Day program. The Bulldogs scored an 18 to 7 victory over the Mississippians to account for their fifth win of the season.

Bob Voitier and Paul Niel, both sophomore left halfbacks, led the attack. In the first quarter Niel crossed into pay dirt after returning a Delta punt of 52 yards, to put the Bulldogs in a scoring position. It was Voitier who led the attack in the second quarter and scored the second Southwestern touchdown.

In the third quarter, John Houser, veteran fullback, playing his last season of varsity ball for Southwestern, scored the third marker, with a vicious power drive through the center of the line. The Teachers' score came in the last period against the second team of the Bulldogs. This victory marked the third in as many starts against the Mississippi team.

## Southwestern 14; Mississippi Southern 21

With the lead of the S. I. A. A. conference at stake the Bulldogs journeyed to Hattiesburg, Mississippi, to battle the powerful Mississippi Southern Confederates. The game was close throughout and it was only in the last minutes of play that the game was decided in favor of the Confederates.

Although leading in yardage gained, the Confederate aerial attack proved too much for the Bulldogs. This together with the fact that the Southwestern team twice in the last stanza advanced to the eight yard line only to be called back on penalties was the deciding factor in the Confederates' victory. A win for the Bulldogs would have meant the lead in the Southern Intercollegiate Conference. The loss toppled them from the chance to claim this title.

The game was close throughout. The Confederates scored first, in the opening stanza. This was immediately followed by a Bulldog score which tied the game at 7-all. In the second quarter the Mississippi team again scored and again Southwestern tied them. The score at the end of the half stood at 14-14.

Unable to score through the Southwestern line, the Confederates opened up their passing attack which netted them another marker and the lead in the game. The Bulldogs strove desperately to overcome the lead and several times were in scoring distance only to lose out due to penalties. The score at the end of the game remained 21-14 in favor of the Mississippi team.

### Southwestern 12; Louisiana Normal 7

The deciding game in the race for the coveted Louisiana Intercollegiate Conference trophy was played between Southwestern and the Demons from Louisiana State Normal. It marked the twenty-ninth game between the two teams since 1911, and record in games won and lost was even, with each team winning thirteen games and tying two.

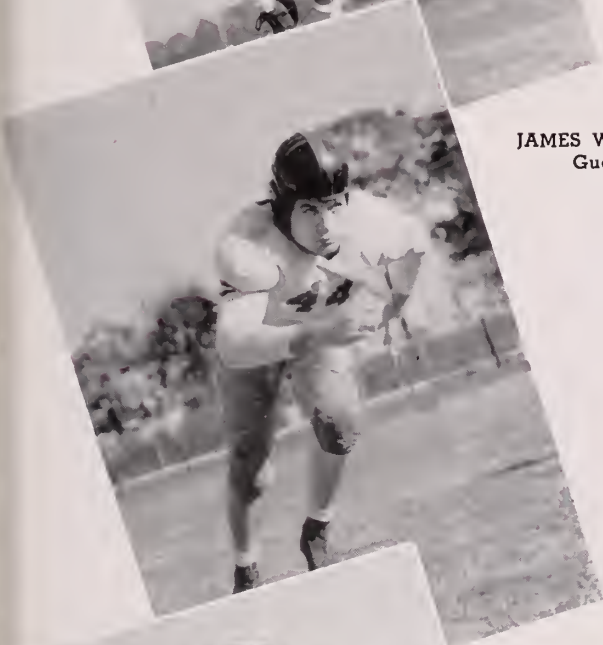

The state's greatest small college rivals battled almost two full quarters before anyone could cross into the end zone into pay territory. Normal was the first to score. By means of a spectacular forward pass followed by a lateral the ball was carried from their own nine yard line to the Bulldog nineteen yard marker. From there the Demons scored by means of a pass into the end zone. The point after touchdown was made and the score at the end of the half was Normal 7 — Southwestern 0.

Following a pep talk by Mr. Lether Frazar, who was seeing his last game as president of the Institute, the Bulldogs marched out on the field in the second half ready for battle. Southwestern scored early in the third quarter, after a long run by Niel which placed the ball in scoring position. On the next play the star sophomore halfback heaved a pass into the hands of Milton Patin standing in the end zone. The attempt at extra point failed and the Demons still led, 7-6.

The winning tally was scored late in the fourth period when Voitier received a punt on his own 35 yard stripe and behind perfect blocking by his mates raced the distance of the field to score standing up. The try for extra point failed but was not necessary as the Demons were never again in a scoring position.

This victory gave the Southwestern Bulldogs undisputed title to the championship of the Louisiana Intercollegiate Conference. Nine of the Bulldogs played their final game for Southwestern. They were, Bill Bass, Milton Patin, Ed Adams, Jack Spence, Leon Barker, King Teasley, James Williams, Vernon Leatherwood, and John Houser. Three of the Bulldog gridsmen were chosen on the All-Conference team. Of the three two were linesmen, Center, Bill Bass, and End, Milton Patin. The other was Paul Niel, backfield ace.

Thus with a record of six wins, one tie, and three losses, the Southwestern gridsters hung up their padded togs and temporarily stepped out of the athletic limelight until another year.

Semi-finalist in the Southern Intercollegiate Athletic Association tournament, largest tourney of its kind in the South, and sharing the championship of the Louisiana Intercollegiate Conference with Louisiana Normal, Coach J. C. "Dutch" Reinhardt's 1941 Southwestern Louisiana Institute basketball team was one of the strongest squads ever to represent the Bulldogs on the hardwood court. The loopsters turned in a record of 14 victories in 18 regularly scheduled games.

The Bulldogs accounted for nine victories as compared to one loss in competition with teams of the Louisiana Intercollegiate Conference and together with the Louisiana State Normal Demons rule the roost of the State loop.

For the first time since 1930, when Southwestern won the annual tourney, the Bulldogs accepted an invitation to take part in the S. I. A. A. tournament held at Bowling Green, Kentucky, February 27-28-29. The Bulldogs advanced to the semi-finals in this

great Southern tournament by disposing of the strong Morehead Teachers' quintet of Morehead, Kentucky, by a 57 to 31 score in the first game of the tournament. Meeting the Murray State Teachers of Kentucky in the semi-final fracas the Bulldogs bowed 52 to 33.

The Bulldogs were off to a fast start for the season when they invaded the stronghold of the Louisiana State University Tigers at Baton Rouge, Louisiana, to turn the Bengals back 39 to 30. Louisiana State took an early lead but soon relinquished as the veteran Bulldog team rallied to lead 21 to 12 at the half interval. Carl Hurst, high scorer on the Bulldog quintet for the past three years, and Harold Reed, "Yankee" ace who hails from Delevan, Wisconsin, led the Southwestern scoring attack with 10 markers each.

# BASKETBALL SEASON

Journeying northwestward into Missouri, Iowa and Illinois the Bulldogs entered into competition with some of the nation's strongest basketball teams.

The Bulldogs played five games in the midwest, winning two and dropping three. Victories were registered over Southern Missouri State Teachers of Springhill, Missouri, and Grinnell College of Grinnell, Iowa. Losses were chalked up against the Bulldogs by Iowa State Teachers, at Cedar Fall, Iowa; Illinois Wesleyan, at Bloomington, Illinois; and Southern Illinois University, at Carbondale, Illinois.

Following their return from this trip, the Bulldogs opened the home season and the Louisiana Intercollegiate Conference with a 45 to 24 win over the Louisiana College Wildcats. After a shaky start the Bulldogs began to "click" and by the end of the first 20 minutes of play had virtually taken control of the situation. The Southwesterners came back still

stronger in the second period and held the Wildcats almost scoreless.

Southeastern Lions — youngest member of the state conference — fell 50 to 28 before the onslaught of the powerful Bulldogs. Although they got off to a good start to lead the Bulldogs in the first few minutes of play, the invaders proved no match for the veteran Southwestern team and soon fell behind. Four days later Coach Reinhardt's lads met the powerful Louisiana State Normal Demons on the Bulldog hardwood and handed the Demons a 41 to 33 setback — the first loss suffered by Normal this season. The Louisiana

Normal quintet, defending champion of last season's Louisiana Intercollegiate Conference race, put the Bulldogs to their first real test of the season on the local court, leading the score several times in the first period and threatening consistently in the final half. Southwestern, however, was the master of the situation, and with several sophomores and new-comers sharing honors, led by eight markers when the final whistle sounded.

In a game that saw the score tied at seven different intervals including the 34 to 34 deadlock at the end of the regular period of play, the Southwestern Louisiana Institute Bulldogs were given their biggest scare of the year before finally eking out a 36 to 34 victory over the Centenary Gents. The game marked the fourth home game of the season as well as the fourth Louisiana Intercollegiate Conference encounter for the Bulldogs. Playing before a capacity crowd that allowed no moment of quiet throughout the game, the Bulldogs and the Gents battled for 40 minutes on even terms, with the Gents scoring most from floor shots and the Bulldogs from pivot and tap-in shots. Southwestern's veteran Carl Hurst paced the scoring that night and accounted for the two points in the extra period of play that proved the victory margin.

The next Louisiana State Conference game saw the Bulldogs take on the Southeastern Lions for the second Bulldog-Lion tussle of the year. Southwestern met the Southeasterners in Hammond and handed the Lions a 45 to 23 defeat to keep their record for the season clean and to boost consecutive victories over state teams to five against no defeats.

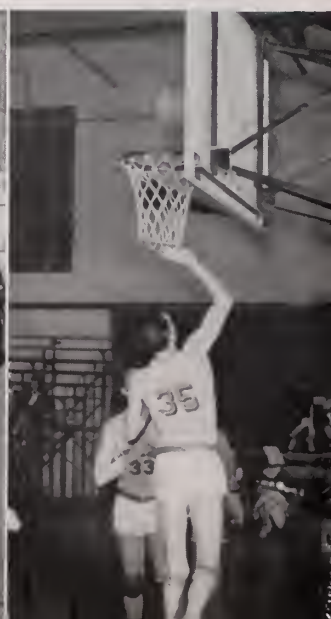

In the final L. I. C. contest to be played on the local hardwood, the Bulldogs tripped the strong Louisiana Tech Bulldogs 51 to 45. With this defeat of the Techmen, Southwestern accounted for one defeat over each of the state conference teams and two wins over the Southeastern Lions. This Bulldog win also gave Southwestern a perfect record of five wins in just that many starts on the local court.

Journeying to Pineville, Louisiana, on February 10, the Bulldogs continued their winning ways by drubbing the Louisiana College Wildcats 45 to 28. Subs

played during the larger part of this game, giving the veterans a rest before their encounter with the Centenary Gents in Shreveport the following day.

With the memory of their initial game against the Gents as a reminder of the Centenary squad's strength, the Bulldogs entered the game cautiously lest the Gents turn the tables and drop Southwestern from the top rung of the Louisiana Intercollegiate conference with only two games left before the final tussle. Southwestern kept the league lead that night with an overwhelming 46 to 27 victory over the Centenary quintet.

Leaving the Louisiana Intercollegiate Conference competition, the Bulldogs met the invasion of the Loyola Wolves, at that time, leaders in the Dixie Conference, for the last home game of the season. Minus the services of the Wolf star center the Loyola quintet fell by a 50 to 27 score before the powerful Bulldogs who, undoubtedly, played their most brilliant game of the year. Demp Young and Carl Hurst, veterans who graduate this spring, finished their basketball careers in a blaze of glory against the Wolf Pack. Young led the Bulldog defensive with his brilliant guarding and Hurst led the offensive, playing havoc with the score pads.

Southwestern re-entered state conference competition February 17 with a 66 to 48 victory over the Louisiana Tech Bulldogs in Ruston, Louisiana. The Techmen threatened with constant scoring from all angles of the floor, but the Southwesterns registered too many field goals and Tech went down under the largest single-game score amassed by the Bulldogs this season. In the final game of the Louisiana Intercollegiate Conference played on the Louisiana Normal Demons' home court, the Southwestern Bulldogs were defeated for the first time by a state conference team. The final score, boosted by the 55 fouls committed by the teams, was 61 to 46. A total of 32 fouls, barring the seven first men from play, were called on the Bulldogs. Twenty-three were tagged on the Demons.

Southwestern ended the regular season with a 43 to 30 victory over the Loyola Wolf Pack in New Orleans, Louisiana, February 21. Although

losing two of the best players ever to don the Bulldog red and white on the hardwood court—Carl Hurst and Dempsey Young—the Southwestern basketball future looms as brightly as ever, for with the return of the remaining three veterans and the eligibility of this year's freshman squad together with the new-comers of this year who profited from experience gained, Coach Reinhardt will again be able to put out a team representative of the growing athletic prowess of Southwestern.

## Southwestern 5: University of Idaho 3

For the first time in the history of fistic relations at Southwestern the Bulldogs were hosts to the University of Idaho, 1940 national champions.

Donald Harper gave the first indication of the strength of the Bulldog pack when he belted Ted Kara, national bantamweight champion, for three rounds before dropping a close decision. Harry Deal lost the second contest of the match when he yielded to the superior technique of Frank Kara, Pacific Coach titlist in the 127 pound division. Thurman Pardue accounted for the first Bulldog victory of the season when he earned an impressive decision over Norman Jenson of the Vandals. Sammy Crow extended his list of K. O. victims by flooring Art Benny of the Idaho squad. Wilbert Conques handed Sam Acuff a thorough belting in the 155 pound affair that netted the Bulldogs another technical knockout victory.

In the 165 pound bout, Fred Logsdon was decisioned by Laune Erickson of the Idaho squad. Leo Coe, who was doing his first bit as a Bulldog pugilist, and Louie Campbell, both stars on the successful 1940 football team, accounted for the other Southwestern victories by K. O.'s over Chick Anderson and Vic Berllus respectively.

## Southwestern 7: Loyola University of the South 1

Southwestern's second victim was the strong Loyola Wolf-pack. Battling before New Orleans fans, the Bulldogs demonstrated their strength by drubbing the Wolves 7 to 1. Of Southwestern's seven wins, four were decisions and three were knockouts. Loyola scored first when Mike DiMaio earned a close decision over Southwestern's newcomer, Drew Landry. Sam Crow started the knockouts going for the Bulldogs with his fourth victory in the same number of collegiate matches. Logsdon continued the fireworks with a T. K. O. over Glaviana of the Wolves, and heavyweight Louie Campbell climaxed the card with a K. O. over Bill Thalken.

## Southwestern 7: Miami 1

Returning the Bulldog's trip of last year to Coral Gables, the Miami University Hurricanes invaded the Bulldog's stronghold for Southwestern's second home card of the season and suffered a 7 to 1 setback at the hands of the Mitchellites.

Donald Harper, veteran bantam, opened the card with a T. K. O. over George Litchfield, a newcomer to the Miami squad, and Harry Deal kept the ball rolling with a win over Francis Christie in the 127 pound division. In the light-weight match, Thurman Pardue, Bulldog veteran, turned in one of the best performances ever demonstrated in a Bulldog ring. Pardue bobbed, weaved, and cleverly boxed his way to a win over Joey Church, past Olympic star.

Sammy Crow needed but a fraction of a round to dispose of the 145 pound Miamian, while Wilbert Conques scored a victory via the forfeit route. Fred Logsdon rocked tall Bill Totterdale in the 165 pound bout, but could not register the knockout blow before the final bell sounded. "Punchy" easily won the decision, however.

Miami's lone tally came in the light heavyweight affair with Joe Banano decisioning Jim Williams of the Bulldogs. Campbell made short work of big Tom Kearns in the finale, with a K. O. early in the second round.

#### Southwestern 8; Loyola University of the South 0

In a return engagement, Loyola battled Southwestern here on January 30, and took an 8 to 0 pasting. Coach Mitchell introduced to local fans a newcomer to the Bulldog ring in Edwin Ourso. Ourso effectively handled his assignment against Mike DiMaio, who kept the Crescent City squad from a shellacking in New Orleans two weeks before. Loye Dean, another sophomore who was getting his first experience as a Bulldog varsity member, defeated Jules Lorio of the Wolf-pack in the light heavyweight division.

Aside from Ourso and Dean, three Bulldogs—Harper, Deal, and Conques—scored decisions; two—Crow and Logsdon—registered wins via the K. O. route; and one—Louie Campbell—earned a victory through forfeit.

#### Southwestern 5; Louisiana State University 3

Southwestern's great test of the season, according to pre-season dope, was the Bulldog encounter with the Louisiana State University Tigers, Southeast Conference champions in 1940. The highly touted Bengal squad fell 5 to 3 in its own coliseum, before some 8,000 fans, probably the largest crowd ever to witness a Southern collegiate dual meet.

Harper again set the stage for the Bulldogs with an impressive win over Tiger Harger in the card's opener, to be followed by Ourso, who rocked L. S. U.'s Mickey Domingue to win by a large margin. Lightweights Harry Deal and Roy Amedee fought to a draw in the third bout of the evening. Wilbert Conques jabbed and slugged his way to an easy victory over Hollaway of the Tigers in the 145 pound division, and Fred Logsdon "cinched" the meet for the Bulldogs by disposing of Shelby Dupont in less than three rounds. Logsdon had the Tiger boxer walking aimlessly into the ropes, and just before the end of the third round the referee stepped between the two fighters and awarded the decision to Southwestern.

ANDREW CROW

THURMAN PARDUE

DONALD HARPER

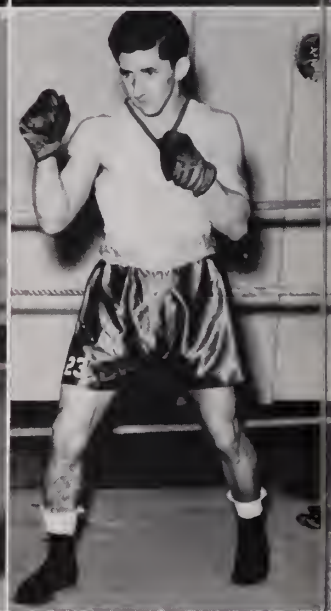

Leo Coe lost to Rodney Belaire, Southeast Conference champion, in the 165 pound affair, and Jim Williams, who suffered an eye wound in the first round of his match, was given a draw when the attending physician ruled the cut too serious to permit the fight to continue. Louie Campbell suffered his only loss of the season when big Herb Kendrick, his ring rival since high school days, floored him in the third round.

#### Southwestern 5; University of Florida 3

Only four days later, the University of Florida 'Gators battled the Bulldogs in Lafayette for the first time in the history of the colleges. "Gee" Mitchell's proteges again proved masters of the ring with a 5 to 3 win over the 'Gators. Donald Harper and Edwin Ourso took the lead, decisioning the bantam and featherweight boxers from Florida. Harry Deal lost a close decision to Johnny Joca, national collegiate titlist. Sammy Crow fell a little short of gaining his customary knockout. The best he could do was to earn a decision in the 145 pound class.

Wilbert Conques lost his only decision this year to the lanky but powerful Phil Igou of the 'Gators. "Punchy" Logsdon added another to his list of technical knockout victims when he forced the referee to come to Len Fielding's rescue. Leo Coe lost to Jim Decourcy of the Florida squad in the 175 pound class. For the first time this season, the heavyweight match was forced to a decision. Louie Campbell earned the nod over big Jim Ferguson of Florida.

Catholic University of America suffered a 6 to 2 defeat when the Southwestern Bulldogs invaded the national capitol on February 15. Catholic University had not lost a dual meet in three years up to this time.

The Cardinals scored their only victory in the 145 pound class, when Huck Hughes, after three fast and scrappy rounds, scored a decision over Sammy Crow. The other Cardinal point was added through two draws; Donald Harper of the Bulldogs holding the highly-touted Lenny Bartone to a draw, and Fred Logsdon fighting on even terms with Gerry Strang of the Cardinal squad.

Other Bulldogs won handily, with Ourso and Campbell scoring knockouts, Harry Deal getting a forfeit, and Conques and Coe earning decisions.

### NATIONAL COLLEGIATE BOXING MEET

Southwestern was the only college in the nation to have the entire squad invited to the National Collegiate Athletic Association meet, which was held this year at Pennsylvania State College, March 27, 28, 29. Misfortune stalked the Bulldog camp the day before the team was to leave for the North. Sam Crow, who boasted of a record of six wins, and only one loss, suffered a broken jaw while sparring with a team mate. This may have cost Southwestern the team championship as the final score in points was 15-13 in favor of Idaho.

With two of the Bulldog boxers eliminated in the quarter finals, and two in the semifinals, Southwestern entered the finals with only three remaining of the squad of seven. These were Harper, Ourso, and Campbell. Louis Campbell was the only one of the Southwestern team to survive the test and to earn the honor of being the first boxer to win a national championship for Southwestern.

## 14th Annual Relay Carnival

Under ideal weather conditions, the Southwestern tracksters opened the season here on March 30 with participation in the 14th annual Southwestern Relay Carnival.

Instituted at Southwestern by R. L. Browne, track coach and present athletic director, the Southwestern Relay Carnival is the first great outdoor track meet of the season and serves as a means of bringing together the South's

greatest thinclads for the opening track performance of the year.

Popping the lid off the season, the Bulldogs looked especially impressive scoring second place wins in the sprint relays. The team composed of Shapiro, Brumfield, Governale, and Aillet finished a close second in the 440 yard and 880 yard relays.

In individual performances, Southwestern led all participants. Bill Buck stepped the 100 yard dash in almost record time although handicapped by a stiff wind to win that event easily. Carl Hurst accounted for the Bulldogs' other win when he outdistanced all competitors in the discus throw, and Harold "Jeep" Walker piled up points with his second place win in the broad jump.

With record entries in all contests, the 1940 edition of Southwestern Relays was one of the most successful cinder path events of the year in the South.

Referee for the annual affair was Lawrence d'Beneddito, president of the National Amateur Athletic Union.

## Medley Relay Team Takes Part in Famed Texas Relays

Encountering probably the strongest competition of the entire nation, the Southwestern medley relay team placed second in the annual Texas relays. With Milton Zelman running the 440 yards, Brumfield and Buck each stepping 220 yards and Carroll Baggett, the half-mile, Southwestern came from behind to reach the tape-line only seconds after the anchor man for the Butler University team of Indianapolis, Indiana.

Although finishing second in this event, the Southwestern team negotiated the distance in record breaking time.

### S. L. I. Wins Triangular Meet

The strong Bulldog track and field team swept to an impressive victory over Loyola University and Louisiana College in the first triangular affair of the season held in Loyola Stadium, New Orleans.

Led by Carroll "Bird-legs" Baggett and Bill Buck, who together accounted for more than one-third of the team points, the seasoned Bulldogs scored 73 3/5 points. Runner-up was Loyola with 38 3/5 markers, followed by Louisiana College with 23 4/5 points.

Baggett scored triple wins—one each in the 880 yard dash, mile and two-mile events. Aside from breaking the tape thrice that afternoon, the spindle-legged middle distance runner turned in the best mile performance witnessed on the Loyola cinder path this season when he paced the distance in 4:24.4 minutes.

With a stiff breeze in his face, Bill Buck bested all competitors in the 100 yard event, stepping the distance in 10.1 seconds. Buck repeated this feat in the 220 yards, leading Brumfield, a teammate, to the tape in 22.3 seconds. Hugh Smith and Bill Hines were double winners in the hurdling events, Smith topping the taller timbers in 15.8 seconds to break the tape, and Hines leading all opponents to the tape in the 220 low hurdles, with a mark of 26.6. Southwestern's mile relay team composed of Leatherwood, Brumfield, Zelman, and Aillet found no difficulty climaxing the meet with a victory in the final event.

On the field Southwestern had two other first place winners in Carl Hurst, who played havoc with the tally sheets in the discus heave, and Harold Walker, who had no trouble winning the broad jump with a leap of 21' 6".

### Southern Amateur Athletic Union Meet

Performing before a record crowd, and against some of the South's best track talent, a comparatively small Southwestern squad finished second in the annual Southern A. A. U. meet held in Baton Rouge.

Carl Hurst took over the duties of pacing his mates that Saturday afternoon by heaving the discus 143 feet to top all contenders in that event, and to score the Bulldogs' only first place of the day. Besides Hurst's starring with the heavy plate, the Bulldogs scored two seconds, one third and two fourth places in other field events.

Carroll Baggett was absent from the Bulldog line-up that day and the heavy work in the distance events fell upon Earl Hollier, a youngster who displayed much stamina and courage in winning third place in the mile run. His courage in running the two mile

event after a strenuous mile drew a large ovation from the jammed stands.

Milton Zelman, who hails from New York, finished a close second to Louisiana State's Frank Church in the most sensational half-mile run of his college career.

Bill Buck, competing with past Olympic sprinters, showed his heels to many a potent southern runner, finishing a close fourth in the century dash. Illustrous of the strong competition in that sprint is the record time in which the distance was covered by the

first place winner, Billy Brown of Louisiana State. Brown, a former member of the national Olympic team, set the pace with a time of 9.8 seconds.

## Drake Relays

For the first time in the history of Southwestern cinder path relations, the Bulldog thinclads took part this season in the famed Drake Relays at Drake University, Des Moines, Iowa. There, although handicapped by the rule preventing freshmen from taking part, the Bulldogs gave a good account of

themselves. In the 880 relay the Bulldog team of Aillet, Brumfield, Buck, and Shapiro came in a close third, hot on the trail of the East Texas State Teachers and Iowa State Teachers, who placed first and second respectively. With competition especially keen in the mile relay event, Southwestern entered a strong team that negotiated the distance in the record breaking time of 3:20.8 seconds, but did not qualify for the final heat. The Bulldogs' time in this event was almost a full three seconds better than the present S. I. A. A. mark.

### Bulldogs Take L. I. C. Championship

After having spent a successful season on the various well known cinder paths of the South, the Bulldog tracksters climaxed their season's activity with a convincing win over all opposition in the third district, S. I. A. A., which has come to be known as the Louisiana Intercollegiate Conference meet.

The Browne tutored cinder path stars piled up a total of 94 points which included 10 first places and numerous runner-up perform-

Carroll "Bird-legs" Baggett again set the pace for the Bulldogs with a double win for the day. The fleet-footed veteran smashed his own S. I. A. A. record of 4:26.2 and the Southern A. A. U. record of 4:24.6 when he distanced the mile run in 4:21.8 minutes. Later in the afternoon, Baggett added another win to the already numerous Bulldog laurels by breaking the tape in the 880 yard dash.

Moe Shapiro cleared the 220 yard low timbers in 24.6 seconds to win over Bill Hines, a teammate, Wiggins of Normal, and Smith of the Bulldogs in the order named.

Jake Neely, replacing Hurst, grabbed first honors in the discus throw with a heave of 135' 2". Hines, Buck, Smith and Walker were outstanding for the Bulldogs.

In the Freshman section of the meet, the local Pups captured second honors with the first laurels going to the baby Demons of Louisiana State Normal. Hebert and BreauX stood out in individual performance for Southwestern.

## 1940

CLIFFORD JOHNSON  
Head Coach

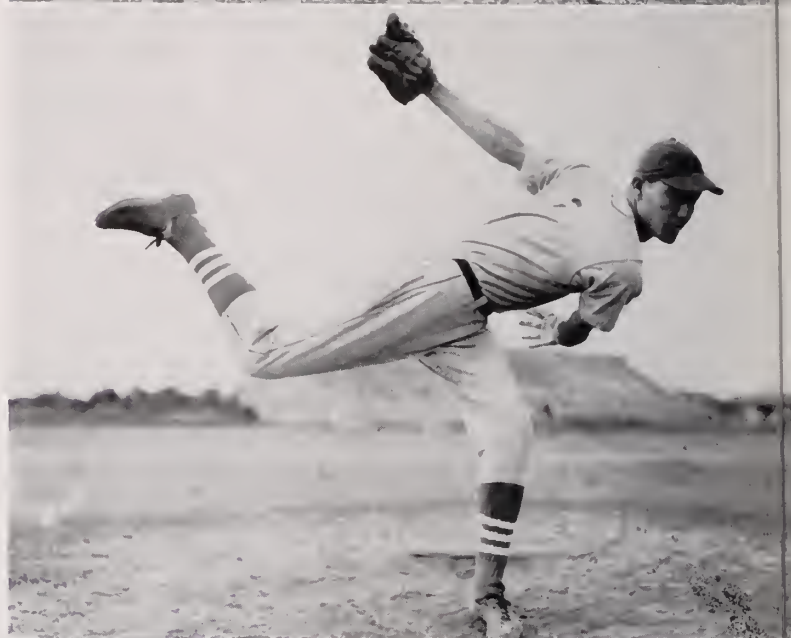

The 1940 edition of the Southwestern Baseball team, the second team since the readoption of the game into the school calendar of sports, had a disappointing season due chiefly to the heavy spring rains which caused cancellation of many games and curtailment of practice for those that were played. Out of a pre-season schedule of 23 games, the team was only able to play 18 of them. Of the games played, the team turned in a record of 6 wins with 10 defeats. This record is not as bad as it would seem, when it is realized that the opponents of the Bulldogs were, for the most part, outstanding collegiate baseball teams

which ranked at the tops of their respective conferences.

The 1939 team returned intact, with the exception of Didier, Hoffman and Abel, and the addition of several sophomores turned the team into a compact outfit.

The team got off to a bad start when it lost the first game of the season to the University of Iowa nine by a 5-4 count. Then, on two successive days, the strong Iowa team swept the rest of the three-game series with wins of 3-0 and 17-1. In the second game of the series, Bourque turned in a very creditable pitching performance although the score went against him. The heavy bats of the Iowans chased two Canine hurlers to the showers in the final game of the series while their all-conference twirler kept the Bulldog batters handcuffed.

Right on the heels of the Iowa invasion, the Bulldogs met the highly-touted Northwestern University Wildcats and fought them to a 4-4 tie in the first of a two-game series. This game was featured by the excellent stick work of

O'rand and LaBauve who garnered three hits out of four trips to the plate apiece.

Next, playing host to the University of Illinois the Bulldogs dropped another game 13-3. The hard-hitting Illinois drove three Southwestern pitchers from the mound, while their hurler stifled the bats of all but Abercrombie, who managed to crash out four hits out of five trips to maintain his batting lead. In the second game of the Illinois series the Bulldogs got "on" again and took the decision 1-0. Highlights of this game were the three-hit pitching of Bourque and again the excellent willow-wielding of Abercrombie.

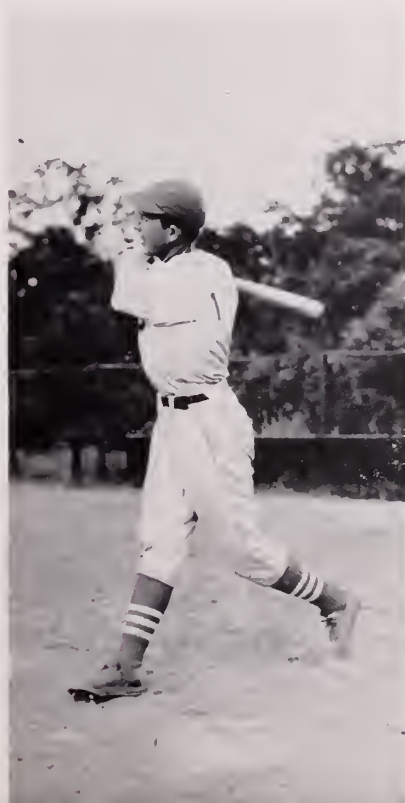

Going out to Parkdale for an exhibition game with the Lafayette White Sox of the Evangeline League, the Bulldogs were defeated 5-4. Significant, though, was the fact that the professional White Sox were extended to defeat the rapidly improving Southwestern team.

The next series of games the Bulldogs journeyed up-state and played a two-game series with Louisiana Tech at

Ruston. The Tech men swept both games of the series, however, winning 7-6 and 10-5. Abercrombie and D'Auria led the Southwestern hitters in the second game, getting three hits out of four tries each.

For their next series the Bulldogs invaded Mississippi for a game with the Ole Miss Rebels. The Mississippi team won the first of the two games, 4-1. Governale pitched steady ball, but his teammates found the Mississippi hurlers beyond their reach and only managed

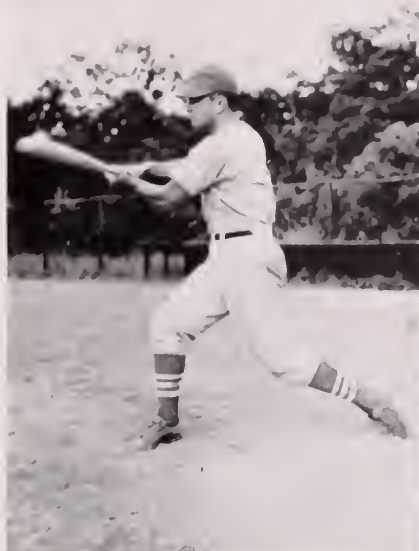

to bag three hits. The next day the Mississippi team won again by almost the same score, 4-2, to sweep the series. Swinging over to Jackson, Mississippi, for a game with the Millsaps Majors, the Bulldogs were stymied 4-3. The next game of the series with Millsaps was rained out.

Back home for a game with Normal, the Bulldogs hit their stride again and knocked out a 6-2 win over the Demons. Following a three week rainy spell which made a morass of the diamond,

Southwestern hit the road again and walloped Normal 4-3. Continuing on to Shreveport, the team fought out a 3-3 deadlock with Centenary.

Home again, the Bulldogs played host to the Ole Miss team and this time turned the tables on the Rebels, winning 6-4. Governale, doing mound duty for the Bulldogs kept the Mississippians to 7 well scattered hits, while his mates accumulated eight and capitalized on most of their opportunities. The next day the Bulldogs repeated and made

two in a row over their opponents, taking their measure 4-3. The curtain-faller for the season found the Bulldogs on the short end of a 1-0 shut out by the Centenary Gentlemen, who were L. I. C. champions due to a perfect record for the season.

Coach Cliff Johnson should be lauded for his efforts to whip the team into shape in the spring and for the fine team he turned out. With many of the regulars back, there is much hope for a successful 1941 baseball season.

# INTRAMURAL SPORTS

During the past year, the Intramural Program sponsored by the Department of Physical Education grew by leaps and bounds to take its place among the big events of the school year. Under the able direction of Coach Elvin Brand, the program was enlarged and the competitive spirit of all sports was improved. Added to the existing program of touch football, basketball, boxing, softball, tennis, volleyball and track and field were three new sports—basketball, free-throw, table tennis and horseshoe pitching. Student interest in the program was high and large crowds attended the group sports such as

boxing and track. The boxing tournament brought out several new champions who may be considered for the varsity boxing team next year.

In addition to finding new material for the varsity teams, the objectives of the intramural program are to encourage group spirit, create better social contact among men students, promote better health and

stimulate interest in physical culture. In all of these objectives, the 1940-41 program was a great success and assured intramural sports a lasting place on the school athletic program.

A collage of black and white photographs depicting various school sports activities. The photos are arranged in a grid-like fashion, tilted at different angles. They show students participating in basketball, volleyball, and track events. Some photos feature individual athletes, while others show groups or teams. The background of the collage is a light green color with a white diagonal stripe.

# WOMEN'S ATHLETICS

The program of athletics planned for women students at Southwestern included a variety of sports to induce participation by every woman student. Such sports as Table Tennis, Badminton, Basketball, Tumbling, Volleyball, Soccer, Archery, and Shuffleboard are offered as class work. Other sports are available for leisure time.

This year the Department of Physical Education featured an extensive

Intramural program which engaged the interest of every girl organization on the campus. With the new Women's Gymnasium at the disposal of the students a greater number were able to participate in the various sports listed on the Intramural program. On these pages are pictures of some of the members of the W. A. A., an organization which corresponds in some respects to the "S" club. Also included are pictures of various activities carried on by the women students in the Physical Education program.

# I N T R I B U T E . . .

Before giving thanks to those who helped to make this annual a success, we wish to explain some things which may be perplexing to the reader. In the first place, there has been much discussion concerning the way the class section was divided into Graduates and Undergraduates, and all undergraduates listed alphabetically. This is due to the fact that L'Acadien recognizes the right of each student to the same amount of space, regardless of precedent. Names were placed in alphabetical order to eliminate any uncertainty as to where the picture of each student would appear.

Those who appear in the Kodachrome pictures on the division pages were chosen as being representative of the college as a whole, as well as on the basis of subject matter. Only those who were most likely to be known to the majority of the student body were considered.

Another distinction made was in the difference between class pictures and those which appeared on the fraternity or sorority pages. Pictures taken in drapes and tuxedos were used only in these sections. These types of pictures lend dignity and distinction to the above mentioned pages. It is the hope of the staff that this precedent may be continued.

There are many to whom some measure of thanks is due for their aid in this edition of L'Acadien. It is difficult to mention any without, perhaps, slighting some, but it is necessary to list those who, besides the staff, made a definite contribution. We wish to thank Dr. A. P. Elliott and Mr. James J. Barry, of the Department of English, the former for writing the Foreword, the latter, for rewriting and perfecting the grammatical construction of the Dedication. We feel that no one could surpass the splendid offerings of these members of our faculty.

We wish to thank Miss Therese Mouton and Miss Geraldine Beaulieu for their work in typing and proof-reading the printed material in the annual; also the secretaries in the president's office, and the offices of the various deans who supplied us with the list of faculty members. We wish to mention at this time

the help of our former president, Mr. Lether E. Frazar, who gave us many suggestions and who sponsored the trip to New York by the editor, where many new ideas for the annual were procured.

The Kodachromes in the yearbook were taken by Mr. Calvin Blue, of Blue's Studio, in Lafayette. The Kodachromes which appear on the cover and the College division page were borrowed from some taken by him last year. The others are pictures taken during the present school year. More important still was the work of the Shreveport Engraving Company, Shreveport, Louisiana, in making possible the use of Kodachromes, and the excellent cuts which were made from these pictures in its shop, as well as all the cuts which appear in the annual. We also wish to thank the staff artists for their excellent layouts and their patience in meeting our requests.

The annual was printed by the Williamson Press, Springfield, Illinois. We wish to express our gratitude to that company for its efforts to make this annual a success. We owe it much, not only for the high quality of its work, but also for its cooperation in getting the yearbook to you on the date planned.

As a final tribute on this page, we wish to mention and extol the work of our faculty adviser, Mr. Harry DeLaRue. It is seldom that any man is found who is willing to offer his time and energy unselfishly to a cause that offers so little reward, and entails so much censure. We can not express how invaluable is the aid of such a person to a staff, whose least fault is inexperience. We can not repay such effort, but if this expression of our gratitude offers him some measure of reward, we must be satisfied.

With this we close this message and this work, with some feeling of relief, but with a greater feeling of sadness. It is the closing of a chronicle of our last year at Southwestern, a year filled to the brim with living. To this chronicle we have devoted all our efforts in order that you may find it worthy.

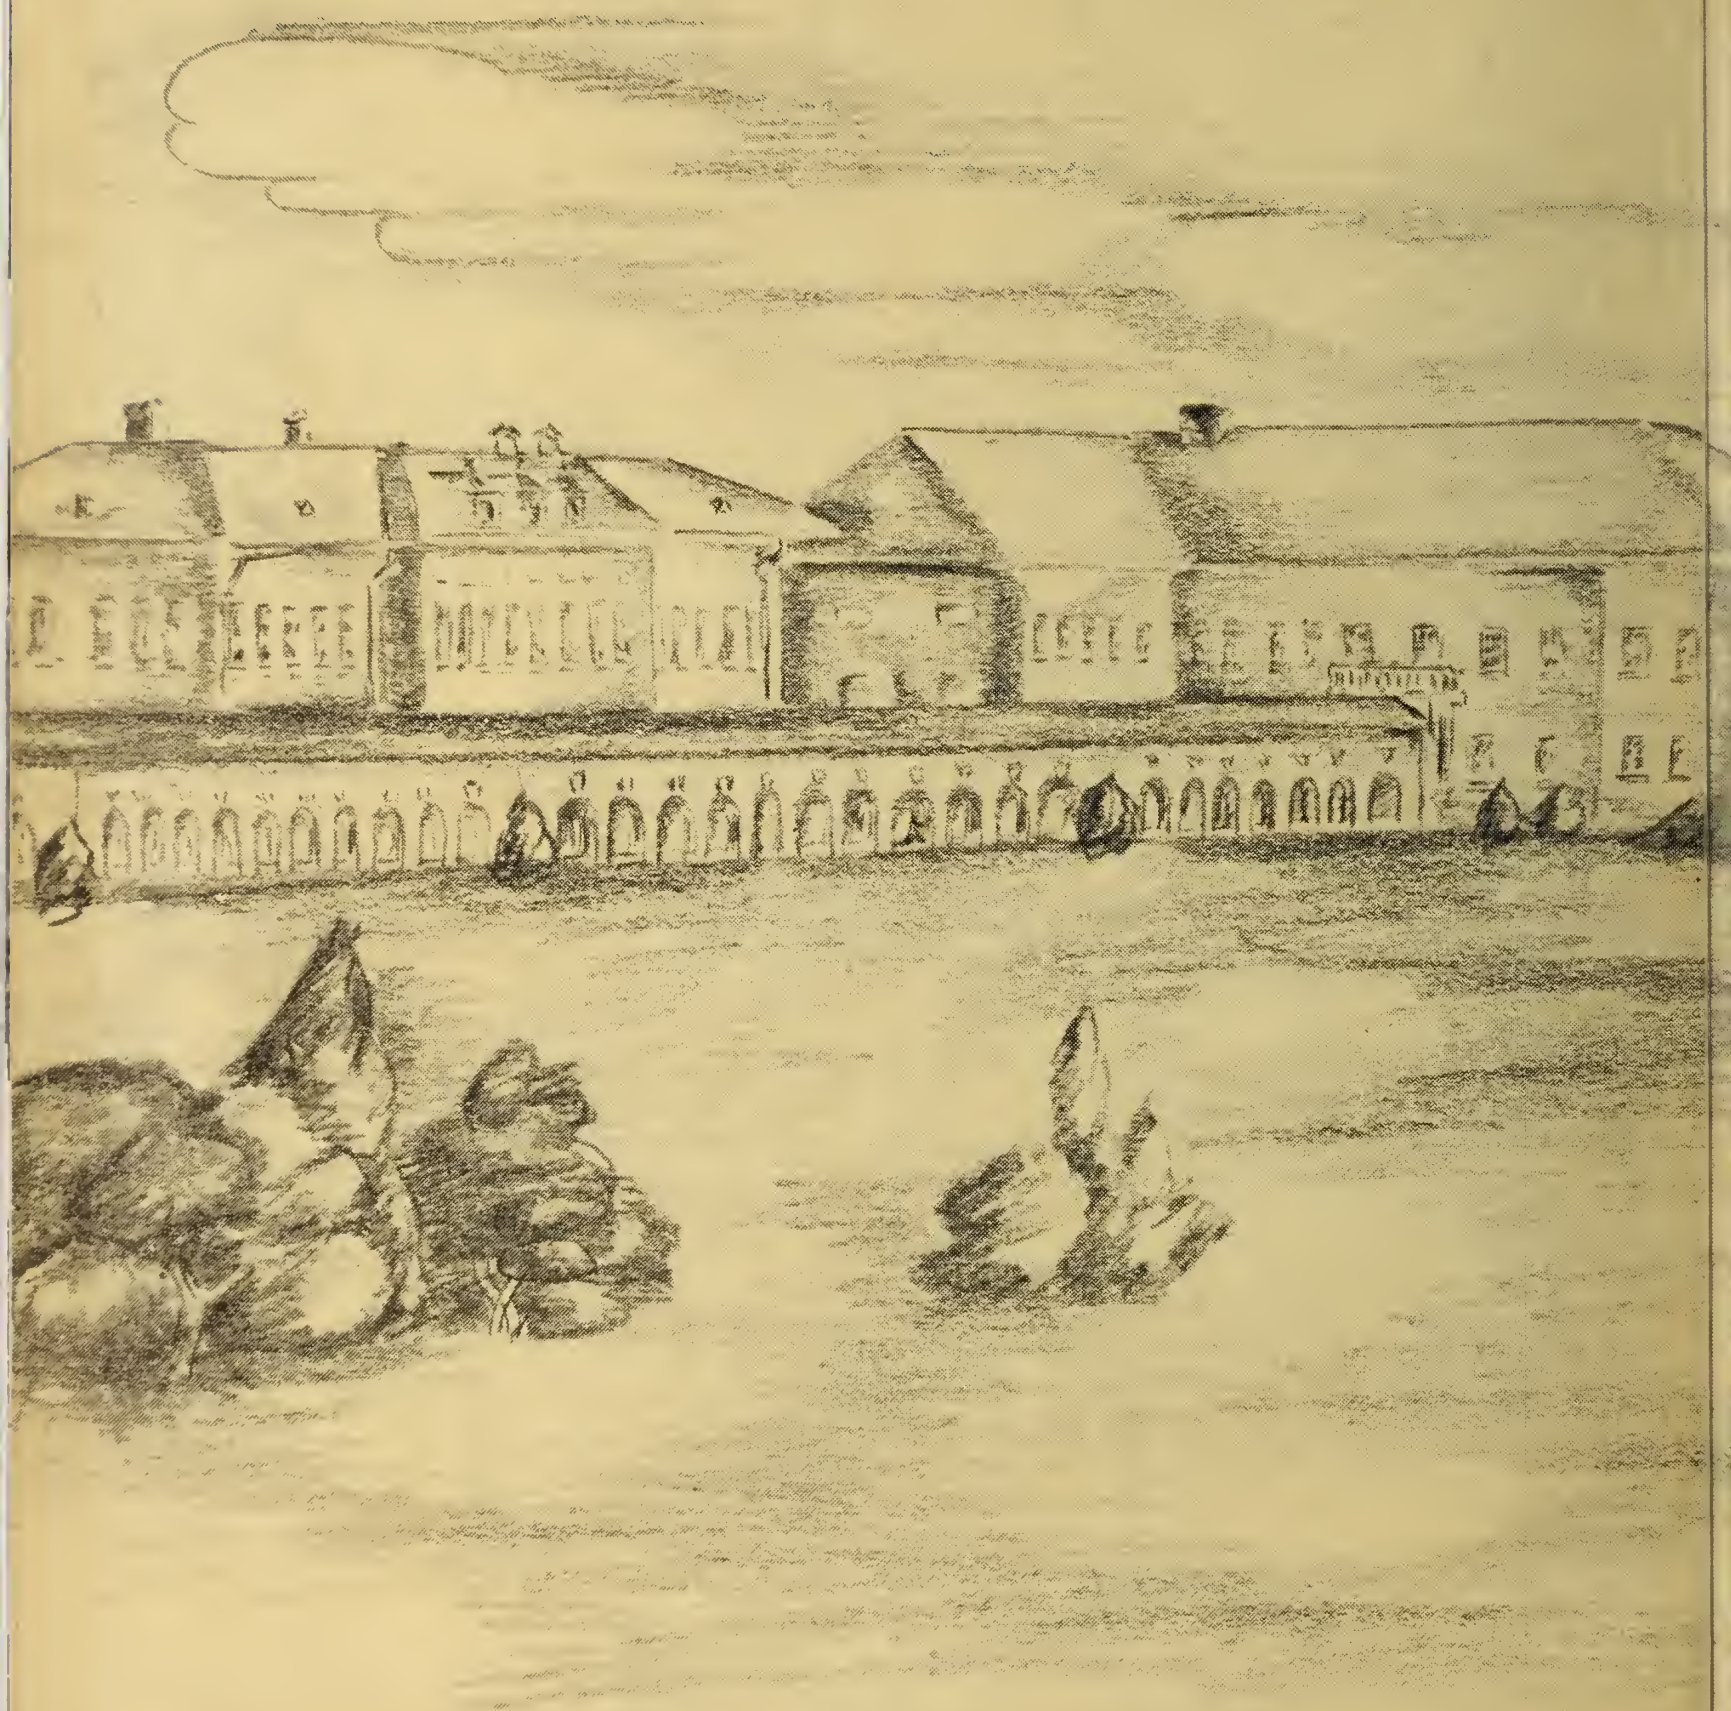

Ave, atque vale.
